Leadership Styles Contest

What is your leadership philosophy?

A PRIZE awarded monthly to the first participant to submit the correct answer.

Send your selection thru e-mail no later than **17 July** to: myrna.narvaez@us.army.mil

Which one of the MWR leaders listed below do you think matches with the leadership style quoted?

"My concept of leadership is relevant to any aspect of ensuring effectiveness in organizations and in managing change" • Good leadership involves responsibility for the welfare of the work group or team. • I influence others in some way through, coaching, counseling, delegating, mentoring, providing direction. • I delegate and empower others liberally, but they pay attention to details. • I have the goal of creating an environment where the best, the brightest, the most creative, are attracted, retained and, most importantly, unleashed. • My power is the capacity to influence and inspire others. • Leading involves the ability to train someone to have integrity, judgement, energy, balance, and the drive to get things done. • I plan, organize, and control the activities of the team. • Leaders leverage the powers of peers.

A) Mary Davison B) Rafael Gilestra C) Odette Ortiz D) Stanley Brown

(MWR employees that work in the same division and/or for the unknown leader cannot win the prize.)

Last month's leadership styles contest had no winner. The correct answer was Tina M. Sánchez.

Have your ID card available.

Checking your email is faster than ever, with our new DSL connectivity!!!
